DESCRIPTION OF PROPOSED WORKS Pipes or Ditches -State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If wat is to be stored in reservoirs, it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions. Estimated cost of works \$6,000.00 5. Estimated time required to construct works 2 years 6. Remarks__ For use of applicant s/Clifford V. Kirschenman , Applicant. By s/ Harlan Brown, Consulting Engineer State of Nevada Compared IS / BB HS/AM This sheet inspected_ $_$, Engineer. APPROVAL OF STATE ENGINEER This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source and is limited to what the well will produce but not to exceed It is understood that this right must allow for a reasonable lowering of the static water level at permittees well due to other ground water development in the area. A substantial weir or other type of measuring device must be installed and measurements of water use kept and a method provided, either air line or opening, for measuring depth to water. The State retains the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.5 cubic feet per second, or a yearly duty of 5.0 acre-feet per acre of land irrigated. Actual construction work shall begin on or before January 24, 1958 Proof of commencement of work shall be filed before February 24, 1958. Work must be prosecuted with reasonable diligence and be completed on or before January 24, 1959. Proof of completion of work shall be filed before February 24, 1959 Application of water to beneficial use shall be made on or before__ January 24, 1961. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 24, 196 Man Filed Fel 7,1957 WITNESS MY HAND AND SEAL this 24th APR 2.2 1959 BECAUSE OF FAILURE of <u>July</u> 1957.
